- **Performance:** Typical download speeds of 40–220 Mbps and upload speeds of 8–25 Mbps, with network priority
- **Top-Up Option:** Once data is depleted, a 50GB Global Priority top-up data block can be applied

Paratus provides Starlink Priority, an optimised high-speed satellite internet solution backed by local support and proven expertise. As an Authorised Reseller, we deliver a fully managed service that includes professional installation, tailored service plans, local support and maintenance. With Paratus, Starlink becomes more than a connection, it's a reliable solution, supported by a network you can count on.

Hardware

We offer two hardware options to choose from, with service plans for fixed and mobile solutions to accommodate a variety of internet requirements.

Performance Kit

Designed for mobility applications and challenging environments. With a wide field of view and enhanced GPS capabilities, it can connect to more satellites, allowing for consistent connectivity while on the go.

1. Flat High Performance Starlink
2. Power Supply Unit
3. 25m Starlink Cable
4. Ethernet Cable
5. Wedge Mount

The availability of the model in stock depends on the time of order.

P36,500
excl. VAT

Standard Kit

Best for everyday internet applications like streaming, video calls and more.

1. Starlink Antenna
2. Kickstand
3. Router
4. Power Supply
5. Starlink Cable 15.2m
6. AC Cable - 1.8m

The availability of the model in stock depends on the time of order.

P4,500
excl. VAT

Paratus provides a variety of additional accessories to enhance your kit. Contact us to check available stock.

Standard Kit Pipe Adaptor (Bracket)	P450

*** All prices listed exclude VAT.**

- Network Priority – your Priority data will rank above residential data use, particularly during congestion.
- The minimum service plan is 50GB bundle.
- You can increase your monthly data plan by **adding blocks of 500GB** to your monthly recurring subscription plan. For example, if you're on a 6TB plan, you can customise it to 7TB, 10TB or more depending on your monthly usage needs.
- Services are **capped**
- All service plans include a **dynamic** Public IP (on request)
- **Top-Up Data Pricing** - Once your monthly data allocation is depleted, you can purchase additional data as follows:
 - Local Priority Data **50GB - P290**
 - Global Priority Data **50GB - P1,640**
 - *Prices exclude VAT
- Unused data does not roll over to the next month.
- Pricing is based on a 36-month contract
- Other contract terms available upon request
- Free installation is included for 36-month contracts within 50km of a Paratus branch
- Prices are subject to change.

Why Choose Paratus?

- Expert local installation services
- Technical consultation and integration support
- Readily available in-country stock
- Access to branches nationwide
- Local invoicing & flexible payment options
- Warranty returns assistance
- 24/7 technical support
