PARATUS

S T A R L I N K

with a *Partner* you can **count on**

Local Priority Service

- **Data Packages Available:** 50GB, 150GB, 500GB, 1TB, 1.5TB, 2TB, 4TB, 6TB.

- **Coverage:** Services may be used within the country or during regional travel (outside your service address country for up to 60 consecutive days). Supports in-motion use.

- **Performance:** Typical download speeds of 40–220 Mbps and upload speeds of 8–25 Mbps, with priority on the network.

- **Top-Up Option:** Once data is depleted, a 50GB Local Priority top-up data block can be applied.

Global Priority Service

- **Data Packages Available:** 50GB, 500GB, 1TB, 1.5TB, 2TB, 4TB, 6TB.

- **Coverage:** Service plans are intended for global and ocean coverage (such as Maritime), and support in-motion use anywhere Starlink is available.

- **Performance:** Typical download speeds of 40–220 Mbps and upload speeds of 8–25 Mbps, with network priority.

- **Top-Up Option:** Once data is depleted, a 50GB Global Priority top-up data block can be applied.

Paratus provides Starlink Priority, an optimised high-speed satellite internet solution backed by local support and proven expertise. As an Authorised Reseller, we deliver a fully managed service that includes professional installation, tailored service plans, local support and maintenance. With Paratus, Starlink becomes more than a connection, it's a reliable solution, supported by a network you can count on.

***Prices exclude VAT and are subject to a 36-month contract. Services are capped.**

- *Network Priority* – your Priority data will rank above residential data use, particularly during congestion.
- *The minimum service plan is 50GB bundle.*
- *You can increase your monthly data plan by **adding blocks of 500GB** to your monthly recurring subscription plan. For example, if you're on a 6TB plan, you can customise it to 7TB, 10TB or more depending on your monthly usage needs.*
- *All service plans include a **dynamic** Public IP (on request).*

- ***Top-Up Data Pricing** - Once your monthly data allocation is depleted, you can purchase additional data as follows:*
  - *Local Priority Data **50GB - P290***
  - *Global Priority Data **50GB - P1,640***
    *Prices exclude VAT
- *Unused data does not roll over to the next month.*
- *Other contract terms available upon request.*
- *Free installation is included for 36-month contracts within 50km of a Paratus branch.*
- *Prices are subject to change.*
