## **DELAY IN THE PUBLICATION OF INTERIM FINANCIAL RESULTS**

Shareholders are advised that the Company has made a decision to delay the publication of its interim financial results for the period ended 31 December 2025 beyond the deadline as prescribed by the Listing Requirement 3.15 of the Namibia Securities Exchange (NSX).

The delay follows the implementation and integration of a new Operating Support System and Business Support System at Paratus Telecommunications (Pty) Ltd, the Company’s principal operating subsidiary, in support of the recent launch of its mobile business. The Board has determined that the Company will require additional time to complete the reconciliation and validation processes of operational and financial information underpinning the interim report to ensure its accuracy.

Paratus is currently finalising the interim financial statements and expects to publish the results on or before the 30<sup>th</sup> of April 2026.

The Board wishes to confirm that:

- the delay does not arise from any material uncertainty regarding the financial performance of the Company; and
- will ensure that shareholders are kept informed of any further developments should the expected publication date change.

The Company regrets any inconvenience that the delayed publication of its interim results may cause shareholders and stakeholders.
