PARATUS
Always Prepared

Take your colocation into the future.

From connectivity to security, hosting your infrastructure in a world-class data center ensures peace of mind.

- 1 Being a Vendor-Neutral data center means you can enjoy world-class colocation services, while having freedom of choice with your carrier or ISP
- 2 A Purpose Built colocation facility for easier cloud hosting and disaster recovery
- 3 Quality infrastructure, thanks to Armada's Tier III equivalent design
- 4 72-hour backup power keeps your data safe during power outages
- 5 Designed and built for concurrent maintainability, none of Armada's infrastructure maintenance affects client services
- 6 Environmentally friendly construction and architecture have less impact on the building's immediate and extended surroundings
- 7 Close proximity to Windhoek makes accessibility incredibly easy
- 8 Both the Trans-Kalahari cross-border Fiber and the Equiano Submarine cable terminate in the facility, alongside other independent carriers
- 9 24-hour surveillance, access control, CCTV, and environmental monitoring ensure the facility is secure at all times
- 10 World-class colocation with international connectivity available on your doorstep at local prices
